RNA UK 2026

29th January- 1st February 2026

Join us for **RNA UK 2026**, the **biannual, non-profit meeting** organized by volunteers and dedicated to advancing RNA science in the UK. This vibrant gathering brings together researchers working across all aspects of RNA biology - from transcription and splicing to noncoding RNAs, translation, viral RNAs, and RNA therapeutics. The meeting will take place at the elegant **Low Wood Bay Hotel**, on the tranquil shores of **Lake Windermere**, within the breathtaking **Lake District National Park – a UNESCO World Heritage Site**. Surrounded by stunning natural beauty and equipped with **high-standard conference facilities**, this is the perfect venue for scientific inspiration, collaboration, and exchange.
